

Clothes for Paws

Donate. Recycle. Help Pets & People.

Schedule a home pickup or host a clothing drive across Central Florida. Proceeds support Pet Alliance's animal welfare work, and usable items help entrepreneurs abroad.

What we collect

Clothing	Shoes	Accessories	Toys
Linens	Kitchenware	Working electronics	Pet supplies

All items should be clean and in reusable condition. We do not accept furniture at this time.

How to participate

Home pickup: Fill out the form at clothesforpaws.org/schedule-a-pickup or text us. Leave bags at your door on pickup day.

Host a drive: Schools, churches, HOAs, apartments and businesses can run a collection. We provide flyers, bins and pickup.

Where your donations go

Gently used items are sorted and shipped overseas, then supplied at very low cost to entrepreneurs abroad — especially women in business — in countries where affordable inventory is hard to find. Nothing is sold in the United States.

Host Checklist

Use this checklist to run a smooth Clothes for Paws clothing drive.

4-6 weeks out	Contact Clothes for Paws to reserve your date.
3 weeks out	Confirm collection point and announce the drive to your group.
2 weeks out	Post flyers, send the first email and set a deadline.
1 week out	Send a reminder. Label bins or bags.
During drive	Share daily reminders. Keep the collection point visible.
48 hours before	Send a final push — this is when most donations arrive.
Pickup day	Leave donations at the collection point or doorsteps. We do the rest.

Tips for a great drive

- Give a deadline. Open-ended drives collect far less.
- Make it a competition: class vs. class, floor vs. floor, team vs. team.
- Explain the impact — people donate more when they know items help pets and people.
- Send a reminder 48 hours before the deadline. This one thing doubles results.
